Dear Wakulla County Parents or Guardians,

In accordance with **F.S.1003, F.S. 1001.42, 1002.37 and 1002.45**, Wakulla County School District Virtual Instruction Program offers full-time and part-time virtual instruction options to all Wakulla County students in grades K through 12 for the 2017-2018 school year.

To achieve academic success, online students must be self-disciplined, self-motivated, responsible, and ready to accept the challenge of rigorous online course work. Parents must play an active role in monitoring their child's progress and make sure their child maintains a regimented work schedule. While virtual instruction does allow some daily flexibility, students must make progress in each course at an established weekly pace.

**WVS Full-time** is a program of choice, meaning that students must apply and be accepted for admission. Full-time students must complete a minimum of 6 courses per semester and comply with all the state course standards and assessment requirements. **Open enrollment for WVS Full-time begins on May 16<sup>th</sup> and will close August 15<sup>th</sup>.** If you would like to learn more about our virtual program, please contact the Wakulla County School Board Instructional Services Department at 850-926-0065.

**WVS Part-time** enrollment options, both during and outside the regular school day are also available. As an additional reminder, all standard policies in the student progression plan, including school based course request/registration and drop/add policies, apply to virtual courses. If you are considering having your student take a virtual course while enrolled at their current school, please contact your school counselor for advisement and approval.
