

Title I FAQ

- What is Title I?

Title I is a federally funded program designed to provide supplemental services to improve the achievement at schools with a high percentage of students eligible for free and reduced lunches. This program also provides opportunities for teachers and paraprofessionals to participate in researched based staff development activities based on the needs of the students. Title I initiatives must be aligned with School Improvement Plans.

- Who is eligible for Title I?

To be eligible for school wide program status, a school must have at least 40 percent of the students qualifying for free or reduced lunch. [Medart Elementary](#), [Shadeville Elementary](#), [Crawfordville Elementary](#), [Riversink Elementary](#) and C.O.A.S.T Charter School operate school wide Title I programs which serve all students in the school.

- How can I be more involved?

Title I recognizes the importance of parental involvement and provides opportunities for parents to participate in school activities. Check out the 2017- 2018 Parent and Family Engagement Policy at your child's school.

In addition to attending Title I parent involvement activities, you can:

- Keep in touch with your child's teacher through telephone or e-mail
- Participate in school-based events that are intended for attendance of all families (i.e. open houses, concerts, curriculum fairs....)
- Serve as a role model, showing your child that you support his/her progress in school
- Support your child's extra-curricular activities
- Get involved with the school parent advisory council or PTO/PTA
