## Click **Create My Account**

Create an Account

Set up a user account to start the enrollment process.

**CREATE MY ACCOUNT**

Already Have an Account?

Log in and resume your enrollment process.

**LOG IN**

## Now you can **Create Your Account**:

*Tip: There is a video on this page to help you 😊*

**CREATE A LEGAL GUARDIAN ACCOUNT**

Please begin your K12 student enrollment process below by creating a Legal Guardian Account.

Once you have created this account, you will enter the password-protected K12 Parent Portal. In the Parent Portal, you will be:

- Guided through student enrollment
- Able to save your enrollment progress and come back to complete any steps
- Able to easily track your progress

Need more information before enrolling? Visit [K12.com](http://K12.com) to learn more, or call to speak with an Enrollment Consultant at 888-273-5567.

**Legal Guardian/Adult**

First Name REQUIRED Middle Name

Last Name REQUIRED

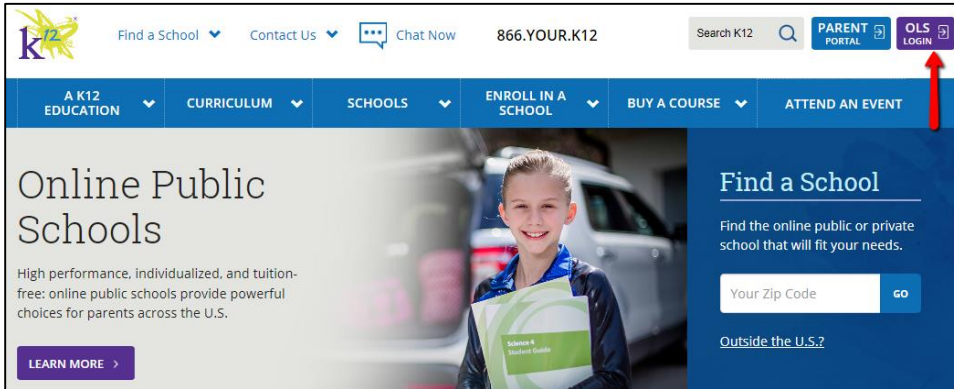

Once your account has been created you will receive an email notification with your **Registration ID**. Use the Registration ID to **Set Up** the account you have just created. Setting up the account is Step 2.

If you have any trouble, please visit the [Support Center](#) for helpful tips and resources.

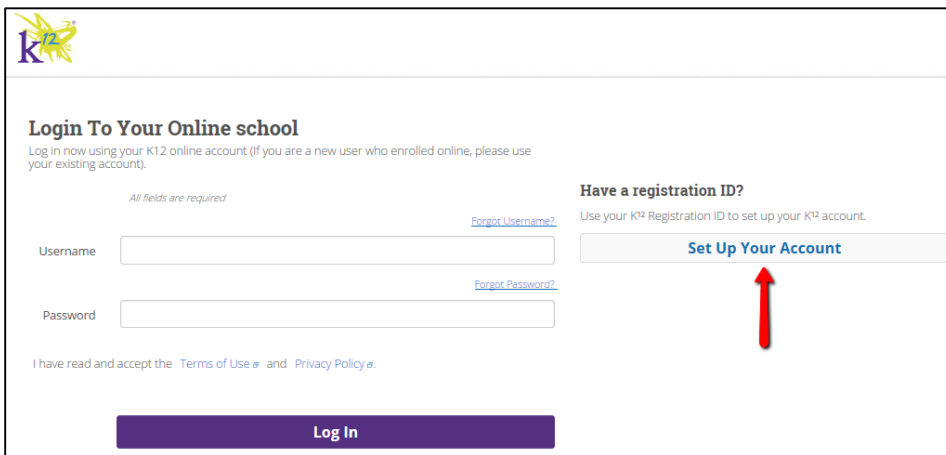

- 1 Click for more information
- 2 Click for help
- Document Accepted
- Document Rejected

## Step 2: Setting Up Your Account

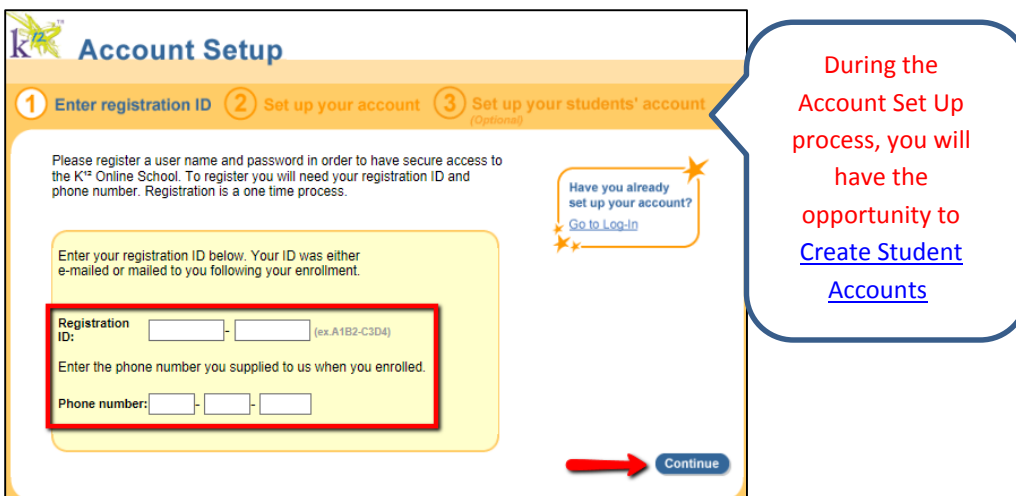

Click **OLS Login** at [www.k12.com](http://www.k12.com)

## Click **Set Up Your Account**

Enter the **Registration ID** provided to you in the welcome email and the phone number you used when creating your account, then click **Continue**.
